

Bates Environmental Studies Internship Application

All Environmental Studies majors must satisfactorily complete an internship related to the environment. These internships must be sponsored by an organization that agrees to evaluate the student at the conclusion of the service. The sponsoring organization must provide an internship that relates to the environment and may include schools, legislatures, private companies, outdoor recreational groups, environmental advocacy groups, law firms, or government agencies.

To apply, the student must submit (1) this completed application form and (2) written confirmation (letter or e-mail) from the sponsoring organization confirming the internship.

Deadline for this application: A minimum of three weeks prior to the commencement of the internship for review and approval by the Environmental Studies Committee. Any internship commenced prior to its approval will be at the risk of the student.

All applications should be hand delivered or sent via e-mail, fax, or regular mail to Camille Parrish in the Environmental Studies Program, cparrish@bates.edu, (207)786-8334 fax, or Bates College, 111 Bardwell Street, Lewiston, ME 04240.
