Thank you very much for participating in this Bates College effort. Because the internship is an integral aspect of the Environmental Studies Program, you are asked to evaluate the student's overall performance. Your response to these brief questions will be greatly appreciated. You may provide your answers to these questions at the bottom of the page or in an e-mail, whichever you prefer. If you wish, please feel free also to discuss directly with the student your assessment. The evaluations are not confidential and may be shown to the student. Your evaluation will not be used to assign a grade to the student.

Please e-mail, fax, or mail the evaluation to Camille Parrish, Bates College, 111 Bardwell St., Lewiston, ME 04240, cparrish@bates.edu, (207) 786-8334 (fax) and (207) 786-6464 (phone).

1. Briefly, what were the types of work assigned to the student?
2. Was the student able to complete the assignments? Were you satisfied with the student's performance?
3. Did you notice particular strengths in the student's work? Initiative? Dependability? Skills? Ability to get along with others? Interest in the assignments?
4. Have you any advice to the student on ways to improve her or his work in environmental issues?
5. Other comments about the student or the internship arrangements?
6. Let us know if your organization would like to be contacted again about sponsoring a student intern.
