

# **Bates Environmental Studies Student Internship Evaluation**

STUDENT:

SPONSOR:

DATE OF REPORT:

Each student is required to submit this completed report no later than one month following the completion of the internship. A letter format may be used if it includes responses to these questions, otherwise use this page to answer them. This report will be used by the Committee on Environmental Studies to evaluate the educational benefits of your internship, and to assess whether the sponsor should be available to other students in their searches for internship opportunities. You may e-mail, fax, or mail this report to Camille Parrish, Environmental Studies Program, 111 Bardwell St., Lewiston, ME 04240, (207) 786-8334 (fax) and (207) 786-6464 (phone).

1. Briefly describe the tasks you undertook during the course of your internship. Were any of these tasks long-term projects? With whom did you work?

2. To what extent did you learn about the purposes, programs, and organization of the sponsoring institution?

3. Comment on the overall quality of your internship experience.

4. Would you recommend to other students an internship with this organization?
