Course Approval Form for a Major

This form may be used as a Department or Program record of a course (or courses) taken on an off-campus study program that may be applied toward a student's major at Bates. Most Departments and Programs complete this form only after the course has been completed when the student is able to (a) discuss the course's content, (b) provide a detailed description of the course, including a syllabus, and (c) provide a copy of his or her abroad transcript. The completed form should be kept on file in the department or program offering the major. Note: Departments and programs may have their own form for recording this information. This form is not required in these cases.
