A RESOLUTION
Expressing the Need for Increased Communication Between the Athletics Department and the Student Body

WHEREAS, a Student-Faculty committee on Athletics has been appointed by the BCSG; and,

WHEREAS, this committee has an important role to play in seeing to it that relevant issues are brought to the attention of the department; and,

WHEREAS, such issues have already arisen several times this year.

NOW, THEREFORE BE IT RESOLVED:

Section 1: The RA expresses the sentiment of the student body that increased collaboration between students and the Athletics Department would be useful for all.

Section 2: The student body feels that the student/staff athletics committee ought to resume meeting on a regular schedule starting February.

Section 3: The Executive Council of the BCSG shall communicate the contents of this resolution upon passage to the Athletics Department. Failure to comply will result in the Vice President of Student Committees approaching the chair of the Faculty CoC with regards to the negligence of this committee.

Respectfully Submitted,
