A Resolution

Expressing the need for adequate toilet tissue in Pettengill Hall

Whereas, the toilet tissue in Pettengill Hall is inexplicably thin; and,

Whereas, the other Bates College buildings such as the dormitories, Ladd Library, Chase Hall, etc. have much thicker, practical toilet tissue; and

Whereas, the toilet tissue in Pettengill Hall is almost impossible to remove from the dispensers without shredding and tearing; and

Whereas, extraordinarily thin toilet tissue can be quite unsanitary.

NOW, THEREFORE BE IT RESOLVED:

Section 1: The Representative Assembly hereby recognizes that the toilet tissue in Pettengill Hall as unacceptable.

Section 2: The Representative Assembly recognizes that the toilet tissue currently being stocked in the restrooms of Pettengill Hall be replaced with normal\(^1\) toilet tissue as soon as the current supply of toilet tissue is depleted.

Section 3: Members of the Physical Plant Advisory committee will inform the committee and the Physical Plant of the contents of this resolution upon passage.

Section 4: Members of the Physical Plant Advisory committee will inform the Representative Assembly of the Physical Plant’s response within two weeks of the resolution’s passage.

Respectfully Submitted,
