A Resolution
To Increase Accessibility to Campus Classrooms during the Weekends

Whereas, many academic buildings are open during the weekends; and
Whereas, many classrooms in buildings that are open during the weekends are locked; and
Whereas, when students ask for such classrooms to be opened, students are often denied access to the classrooms; now therefore, be it

Resolved,
That classrooms in various academic buildings, especially Pettengill Hall, be open during the weekends for students to use.
That the Physical Plant Advisory Committee provide an oral or written report to the Representative Assembly regarding this resolution’s contents within two weeks after passage of this resolution.

Respectfully Submitted,
Karla Erickson '08
Representative, Class of 2008
