A Resolution

To Increase the Number of Guest Passes Available for Entry into Commons

Whereas, currently students are allocated three (3) guest passes to use for entry into Commons per semester; and

Whereas, if a student does not use all three (3) guest passes in a given semester, unused passes do not carryover to the next semester; and

Whereas, currently three (3) guest passes per semester is small; now therefore, be it

Resolved,

That the number of guest passes allocated to students be increased to five (5) per semester.

That any guest passes unused at the end of the semester be carried over to the next semester.

That the Food Advisory Committee considers the contents of this resolution and provide an oral or written report of their discussions to the Representative Assembly within two weeks of passage of this resolution.
