IV. RA Officer Reports
   a. Secretary: None
   b. Parliamentarian: None
   c. Chair: Hopes everyone is enjoying the food and encourages people to contact him with suggestions on agenda items
V. Executive Council Reports
   a. Treasurer: Encourages clubs to partake in co-sponsorship opportunities.
   b. Vice Presidents of Student Clubs: None
   c. Vice President of Student Committees: Worked on revising CoC guidelines over the break and hopes to put those out on RA-talk by the weekend.
   d. President: Spoke briefly on officer work/studies and The Sun Journal. Spoke on RA Tabling, a service to help people to sit at a table to answer questions on the RA. Encouraged members to apply to be “President for the Day.” Requests that qualms with his report be put on the agenda for the following week.
VI. Committee Reports
   a. Committees will soon have pre-arranged reports arranged by the VP of Student Committees.
   b. Those interested in an ad-hoc committee on the alcohol policy should meet after the meeting. Legislation is pending, however there are some issues regarding this committees establishment, in particular how to seat a committee. The committee would research the alcohol policy historically and should be open to the whole campus.
VII. Member Reports
   a. The water is hot in Smith’s sinks, and it is a problem for many constituents – because there is a separate cold faucet and a hot faucet.
   b. Physical Plant is working on it slowly. It was suggested that a resolution be drawn up that states it is the opinion of the body that the old faucets be changed.
VIII. Old Business
   a. RA 07-07 (Skiing at Lost Valley)
      i. The question was whether the full funding will/should be allocated because not all students ski
      ii. Is the final amount of $6,020 reasonable
iii. The support was offered that many people will use this bill often
iv. The cost is $3.50 because of the amount of people
v. Motion was made to end discussion (Passed)
vi. Voting was held and RA 07-07 passed

b. RA 07-12 (Resolution for Computers in Residences)
i. Tabled to later in the meeting when the Parliamentarian returns
c. Motion was made to move the discussion of RA 07-13 into the middle of the old business session
d. RA 07-13 (Lewiston Sun Journal on Campus)
i. The budget allocation was modified by the author from $200 to $167. There would be 15 copies available for students. BCSG would cover 1/3 of the cost.
ii. Question was made as to whether 15 copies would be enough, or should the 15 copies be like a pilot program
iii. The rate offered is the student/educational rate.
iv. Motion was made to close discussion (Passed)
v. Voting was held and RA 07-13 Passed
e. RA 07-12 was brought back off the table with the return of the parliamentarian
f. RA 07-12 (Resolution for Computers in Select Residences)
i. Many students (particularly international students and select freshmen) do not have a personal computer and it would be beneficial for those students mainly in the winter months.
ii. Question was made on the problem of dorm damage with the computers
iii. There have not, however been problems with televisions.
iv. Computers are more expensive and move vulnerable than other objects in dorms
v. There may be problems with theft
vi. The dorm spaces may not be conducive of a work environment
vii. It was reiterated that this is not putting computers in dorms
viii. The suggestion was made that a pilot program should be put in place for Frye Street Union
ix. Another question was whether the larger problem is the lack of a 24-hour computer lab on campus.
x. Motion was made to end debate on the resolution (passed)
xi. Voting was held on RA 07-12 and was led to a division
   1. 9 voted for the resolution
   2. 14 against
   3. Resolution failed
g. Motion was made for forgo discussion on paid RA positions and end the meeting

IX. Meeting was adjourned
Respectfully Submitted,
Doug Ray ‘10
Secretary, Representative Assembly
