

Sports Medicine

2010 Division III Men's New England Indoor Track Championship

**February 19th and 20th
Merrill Gymnasium
Walter Slovenski Track
Bates College
Lewiston, Maine**

Merrill Athletic Training Clinic hours: open 2 hours prior to the start of the meet. Clinic will close 30 minutes post event.

Certified Athletic Trainer on site: Stephanie Oleniak email at soleniak@bates.edu, or phone 207.786.6470.

Local Hospitals: St. Mary's Regional Medical Center, ER – 207.777.8120, Central Maine Medical Center, ER – 207.783.2200.

Ambulance Service: United Ambulance – 911

Services available: Prior to meet – ice, moist heat, whirlpool, ultrasound and estim. Athletes needing ultrasound and/or electrical stimulation must present a note/prescription from home Certified Athletic Trainer. Please be specific as to parameters. Ultrasound and electrical stimulation will not be available once the meet begins. Water, ice and moist heat will be available track side near the pole vault area.

Taping services will be available, however, teams and athletes must provide own tape and other stock items.

Services not provided: massage and medication dispensing.

Best wishes and success throughout your respective seasons. Look forward to having you join us at Bates College.
