This week is "Design Week" and the museum has several special presentation on architecture, environmental illustration and other designers.

Check out the all-new exhibition: "Counter Cartographies: Living the Land". It opens Oct. 8. This is, most simply, a different sort of mapping!

FREE ADMISSION on Indigenous Peoples' Day, Oct. 8.

The Anchorage Museum sits on the traditional homeland of the Eklutna Dena'ina. The museum is committed to recognizing and honoring the land, culture and language of the Dena'ina people. We recognize and respect the continuing connection, by Alaska Native people and all indigenous people, to the land, waters and communities.
