PI Lab Group Evaluation Form

The following evaluation of your team is a tool to help improve your experience with group collaborative work on the PI labs. Please add relevant comments when necessary to clarify your ratings.

Name of student evaluator: _____ Lab Section: Mon Tu_{8-11} Tu_{1-4} *(circle)*

1 = never **2 = sometimes** **3 = always**

		Circle your responses:			*Comments:*
1.	Have all the members of your group (including yourself) attended group meetings?	**1**	**2**	**3**	
2.	Have all members made a serious effort to accomplish their agreed upon work before group meetings?	**1**	**2**	**3**	
3.	Have all members made a serious effort to fulfill their group responsibilities on collaborative work?	**1**	**2**	**3**	
4.	Have all members notified the group if they have been unable to fulfill their group responsibilities on assignments or to attend a scheduled meeting?	**1**	**2**	**3**	
5.	Do all members actively participate and make equal and valuable contributions at group meetings?	**1**	**2**	**3**	
6.	Do all members listen carefully to others' ideas, opinions, and suggestions, and act respectfully?	**1**	**2**	**3**	
7.	Does each member participate as a full collaborator in the group work, including lab work?	**1**	**2**	**3**	

Based on your responses above, assign an <u>overall rating</u> to your group using the following word options: _____ (*insert appropriate word from list*).

RATING	**CHARACTERISTIC**
Excellent	The group functioned optimally. Working in this group generally made the final product better than if we had each done it individually.
Good	The group functions well enough to get our work done on time and with quality that I am proud of.
Satisfactory	The group lacks common goals but usually gets our work done on time.
Unsatisfactory	We are not functioning as a collaborative group and I would like our work to be better.
