Numerical Analysis
Fall 2006
Weekly Assignment #5
due Thursday, October 26, 2:40p.m.

You may work together with other students, but must complete and write up all problems on your own. Include all relevant steps in your writeup. This may include basic algebra, MATLAB printouts, or sentences explaining your logic.

1.) (10 pts.) #12, section 3.2
2.) (10 pts.) #30, section 3.2
3.) (10 pts.) #32, section 3.3
4.) (10 pts.) #43, section 3.3
